

Onboarding: Reflective Supervision

Here is a helpful tip sheet for orienting new staff to Reflective Supervision.

1

Reflective Supervision Video Series

This video series introduces the concept of reflective practice as a framework for child serving organizations to help address secondary traumatic stress amongst helping professionals. New supervisors can watch these videos as part of their onboarding process as an introduction to reflective practice and supervision.

[Click here](#) to access the Reflective Supervision Video Series.

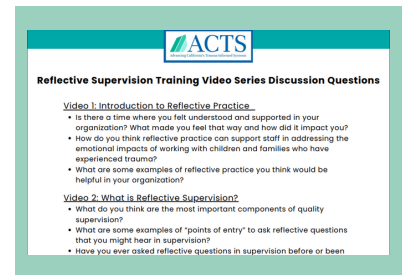

2

Discussion Guide

Use these questions to facilitate continued conversation and learning with a trainer, supervisor, peer, or on your own. There are questions for each individual video to help you think about how you can apply the information you learned to your own day to day work.
